MATTAPOISETT JUVENILE GRANGE INSTALLED

Acceptance of an invitation to attend an open meeting of the Mattapoisett Juvenile Grange proved a point I have long sought an answer to.

Much has been discussed of late in regards to juvenile delinquency. An expansion of what transpired at the Mattapoisett Grange Hall on Sunday afternoon, October 17, I am sure is the answer to the problem.

The oldsters who conduct and supervise the Juvenile Grange and the parents who rear the youngsters, who make up this body, deserve more praise than this humble writer knows how to express.

An old saying "Do as I say, not as I do" has no place in this group. Age is no barrier for the ages run from five to as old as you can grow. All age brackets were intermixed at this meeting, yet you could here a pin drop. The conduct of the children was unbelievable and the ritual and floor work practically flawless.

As one sat in amazement, watching these children conducting the meeting, all you could think of was, Here is truly America in action, and these children, with this training, will surely be our future American leaders.

Each member, officer or not, shares in the proceedings. Diversified activities are so attractive that perfect attendance is a usual occurrence. Activities calling for sharing with others, time for play,

time for developing the mind and a teaching so knit to God, it is educational to mind and beneficient to body and in doing a service to the community and country.

The Watuppa Juvenile Grange Installing Suite were letter perfect but best of all were enjoying every moment they were on the floor, and well deserved the applause — they received and the presents they were presented with.

Eighty-five adults enjoyed the affair, and if they came away as I did, they were filled with pride. Visitors were from Dartmouth, Wareham, Westport, Fall River, New Bedford, Acushnet and Freetown.

The installing suite were Marie Picard, master; Jeanne Marcelene and John Dyson, marshalls; Nancy Bordon, emblem bearer; Joyce Dyson, regalia bearer; Yvette Boudria, pianist; Emalie O'Brion, chaplain and Vivian Potter, soloist.

Pins and gifts for perfected were presented by Mrs. Mildred LeBaron, State Juvenile Superintendent, to Frances Hyland, Carol Hyland, Martha Heuberger, Ruth Benoit, Dolores Ferria and a two year perfect attendance gift was awarded to Patricia Lacairi. Frances Hyland was presented a past masters jewel. The juvenile past master presented a gift to the past matron.

The new officers for the coming year are Denise Johnson, master; Edward Sylvia, overseer; Alice Reed, lecturer; Albert Sylvia, steward; Nancy Corcoran, L A steward; John Sylvia, assistant steward;

MATTAPOISETT POWER SQUADRON REGISTRATION

The Mattapoisett Power Squadron announces registration for their fall class in Piloting is Thursday night, October 21st at 7:30 P. M. in the Town Hall in Mattapoisett. Thereafter meetings will be held on Monday nights in the Mattapoisett Congregational Church Vestry. This popular course, for which there is no charge, will be presented for the fourth consecutive year in the interests of safer small boat handling.

The course consists of ten weekly lectures. Subjects covered include rules of the nautical road, equipment required by law, seamanship, the compass, and chart work, as also courtesies, customs and liabilities of boat operators. An examination concludes the course. Classes are open to men and women, regardless of whether or not they own a boat.

John T. Burr of Mattapoisett is Commander of the Mattapoisett Squadron which is a unit of the United States Power Squadron. The national body comprises a total membership of about 23,000 men in 162 units located in the United States, Hawaii, Alaska and the Canal Zone. This non-profit civilian educational organization has dedicated 40 years to increasing safety of the water through a program of nautical education for boatmen and prospective boatmen. All instructors are members of the Squadron and serve without pay. Candidates for membership are selected from among piloting class students who pass the course. Some 25,000 men and women take the basic piloting course each year, and on becoming members may go to further studies in advanced subjects and elective courses.

ON LEAVE IN FRANCE AND ENGLAND

Pvt. Merrill B. Walker, Jr., stationed in Frankfort, Germany, is on leave, visiting in London and Paris.

Robert Walker who recently returned home from service in Japan and Korea, has entered the University of Massachusetts at Amherst. They are the sons of Mrs. at Amherst. They are the sons of Mr. and Mrs. Walker of Tobey Lane, Mattapoisett.

WEEKEND TOUR

Mr. and Mrs. Walter S. Jason of Church Street, Mattapoisett spent an interesting weekend touring Western Massachusetts, Connecticut and Vermont. While on the trip, a stop was made at Putney Inn, Vermont and a nice visit and supper was enjoyed with Mrs. George Hiller and her daughter, Mrs. James Lewis and family. She asked to be remembered to all her friends here. That part of the country is always very pretty, but this year the foliage is still green with very little of the usual color found so often around October 12th.

Inquiring of other friends, Mr. and Mrs. Henry Sawyer of Rockville, Conn., where the usual color was, they said that only one slight frost had been experienced. If it wasn't possible for those of you who like to visit the Mohawk Trail to enjoy the scenic color on the holiday, you may still enjoy it a little later after the frost has made the transformation.
